On the front cover of your folder should be following information: First and last name, age as of **September 1**, age division (Junior, Intermediate, Senior), the name of your 4-H club or FFA chapter, and the animal division (Market Goat, Market Swine, Market Steer). Failure to follow these guidelines will result in a 10-point deduction.
4. There are no extra points for creativity only neatness and accuracy in this record book as this is a record keeping tool.
5. Always double check your work, especially your math calculations.

Project Inventory

Notes for Project inventory

1. **Date acquired** – List the date you obtained this item. On items older than 1 year, the year will be sufficient.
2. **Original purchase cost or value** – What did this item cost when you obtained it or the fair market value if you did not have to purchase it?
3. **Value at beginning of project** – Same as purchase cost for items purchased in the current project year (**Project year is from September 1 – March 3**). On items from previous years, this should be the value from last year's ending inventory or depreciated value of 10% of original purchase cost per project year.
4. **Depreciation of 10%** - (For this record book it will be based on simple straight-line depreciation with no salvage value and an assumed 10-year life) This will be 10% per project year of the original purchase cost for the items you will still have at the end of the project. This includes items you had at the beginning of the project as well as items purchased during the year. Depreciation is the loss in value of your assets due to wear and tear and it is an expense.
5. **Value at the end of the project** – This is the value at the beginning of the project minus the current year's depreciation.
6. **Junior Exhibitors:** Junior exhibitors needs to try to complete the depreciation portion of this page so they can use the information on their Project Financial Summary, but they will not have points deducted for mistakes. We will correct any errors made to improve understanding for future record books.
